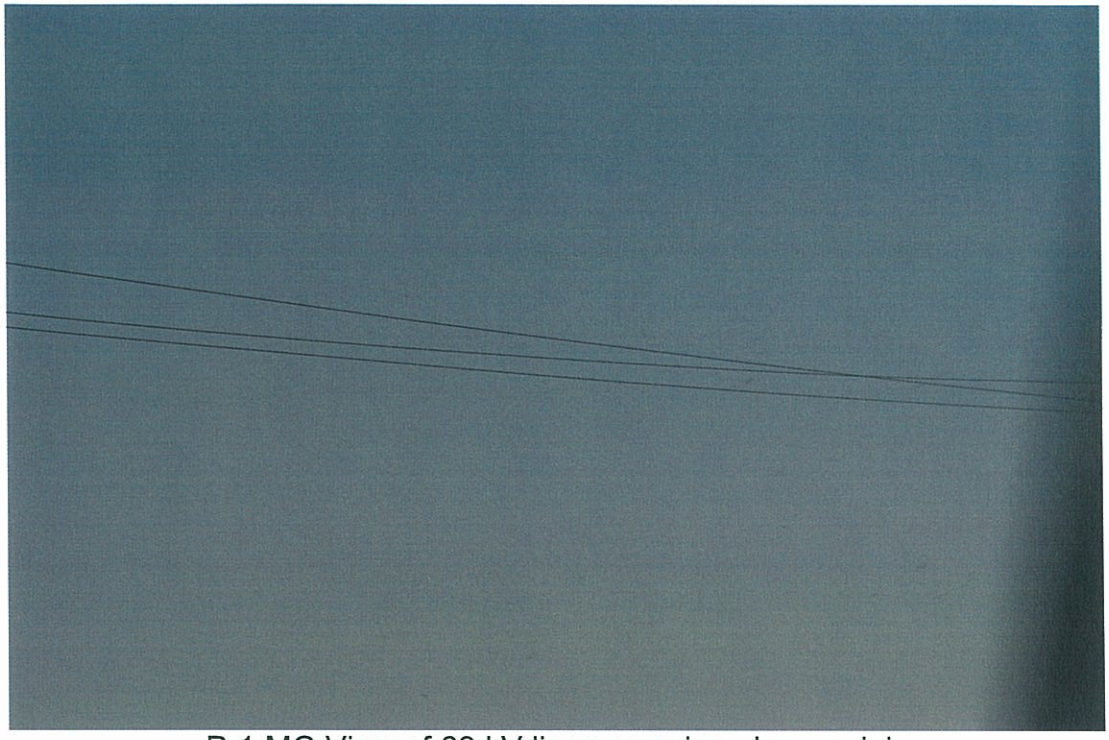
Attachment A

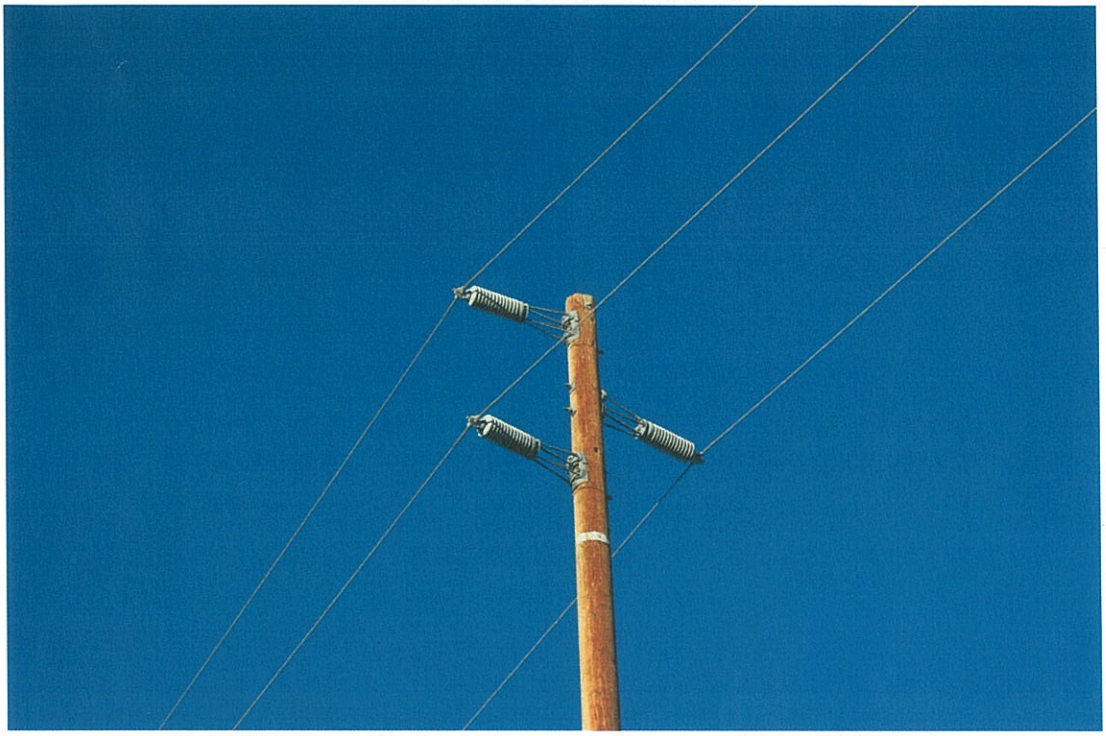


P-1 MG View of 69 kV lines crossing above origin

P-2 MG View of 69 kV lines crossing above origin

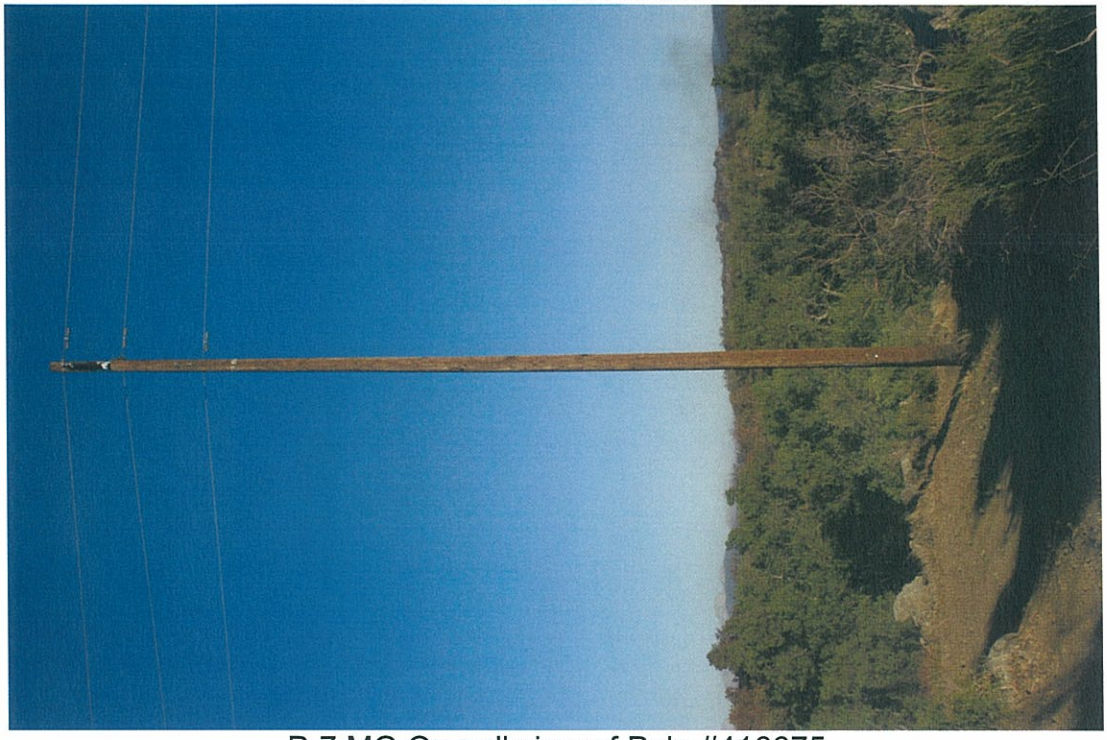
P-3 MG View of Pole #416676

P-4 MG Overall view of Pole #416676

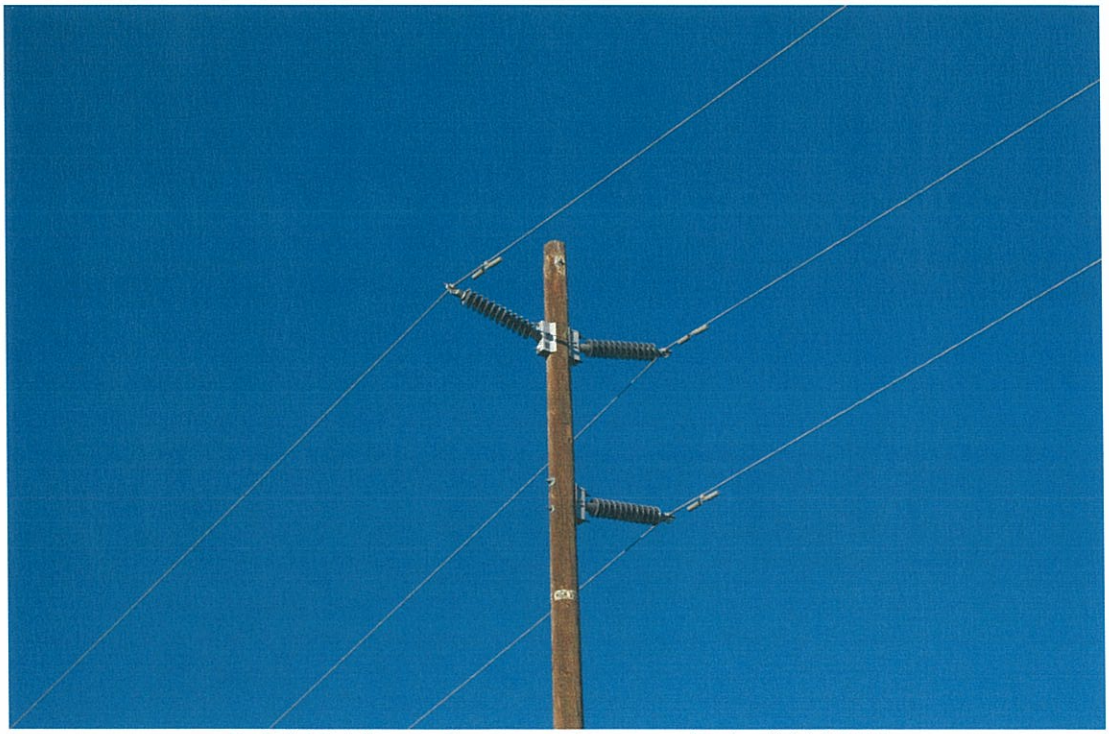


P-5 MG Overall view of connections on Pole #416676

P-6 MG View of Pole #416675



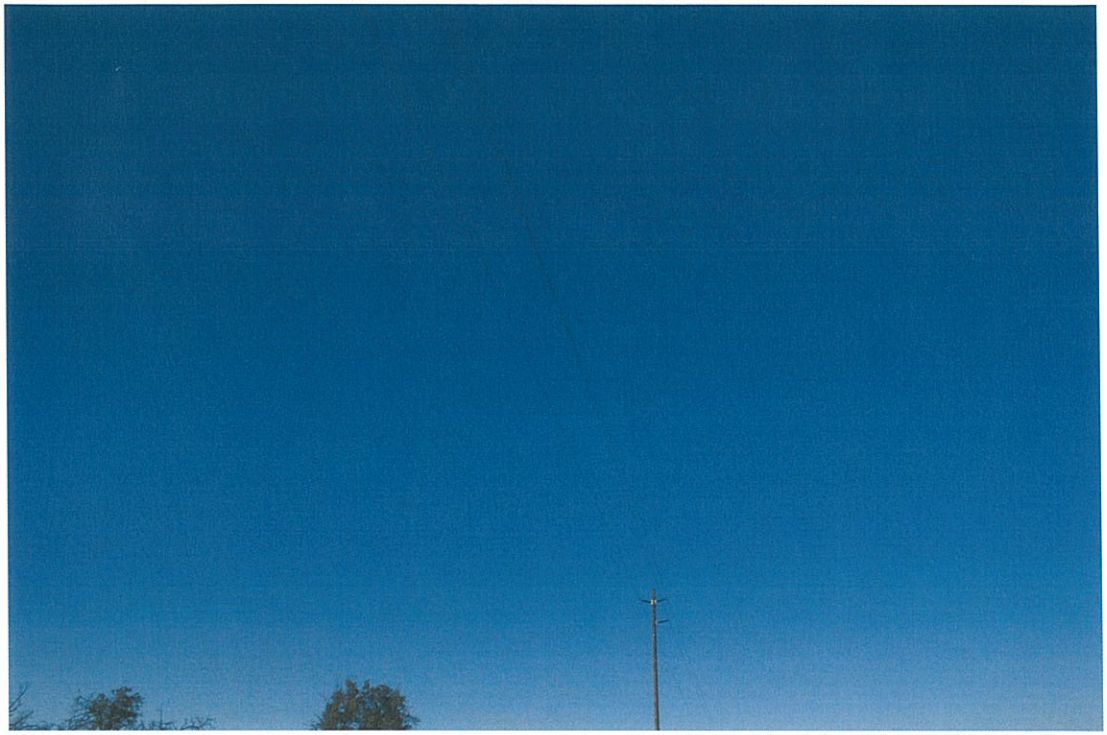
P-7 MG Overall view of Pole #416675



P-8 MG View of connections on Pole #416675

P-9 MG View of indicator showing advancing fire, west of power line

P-10 MG View of indicator showing advancing fire, west of power line



P-11 MG View of overlapping lines, between Pole #'s 416675 and 416676

P-12 MG Overall view of advincing fire, facing east

P-13 MG View of flags showing advancing fire

P-14 MG Overall view of indicator showing advancing fire

P-15 MG View of protected side of indicator

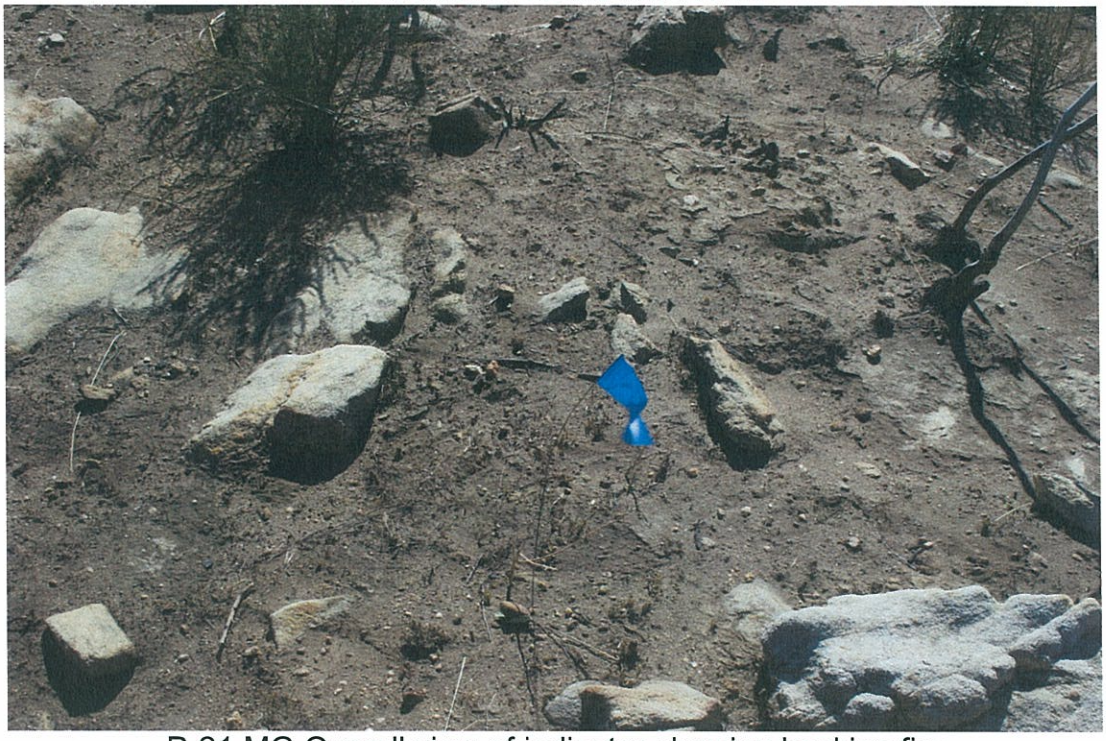
P-16 MG View of exposed side of indicator

P-17 MG View of protected side of rock

P-18 MG View of exposed side of rock, showing advancing fire

P-19 MG Overall view of indicator showing lateral fire

P-20 MG View of staining on rock showing lateral fire



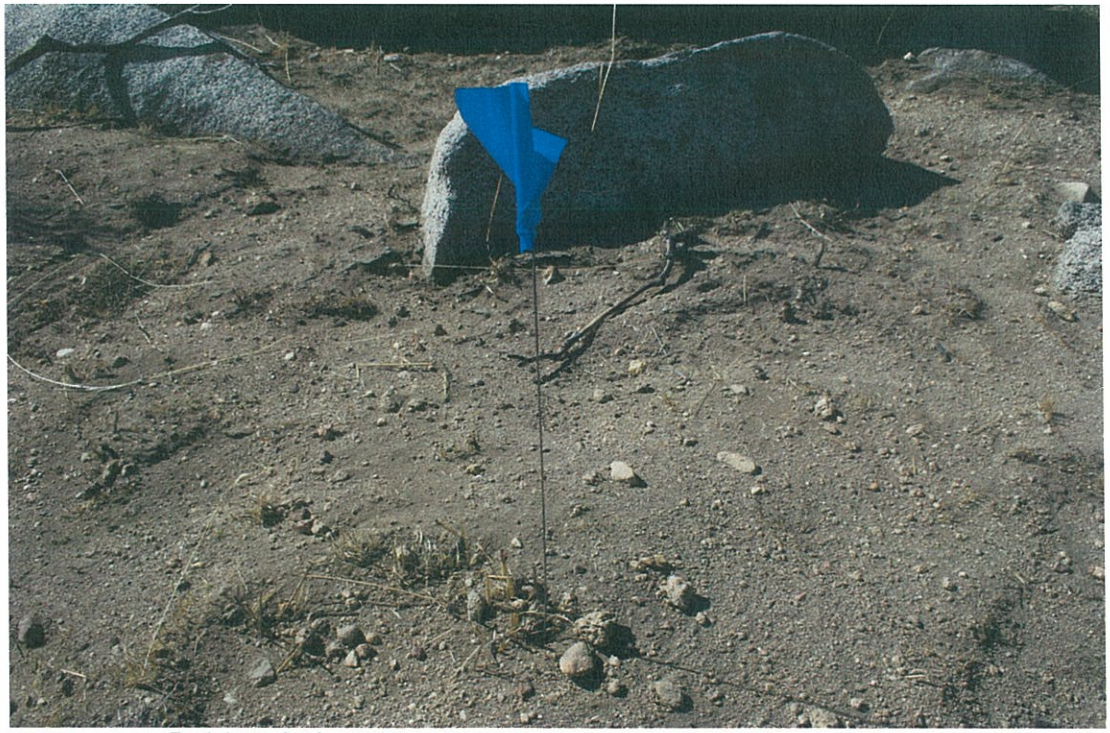
P-21 MG Overall view of indicator showing backing fire

P-22 MG Close-up view of cupping showing backing fire

P-23 MG Overall view of indicator showing backing fire

P-24 MG Close-up view of indicator showing backing fire

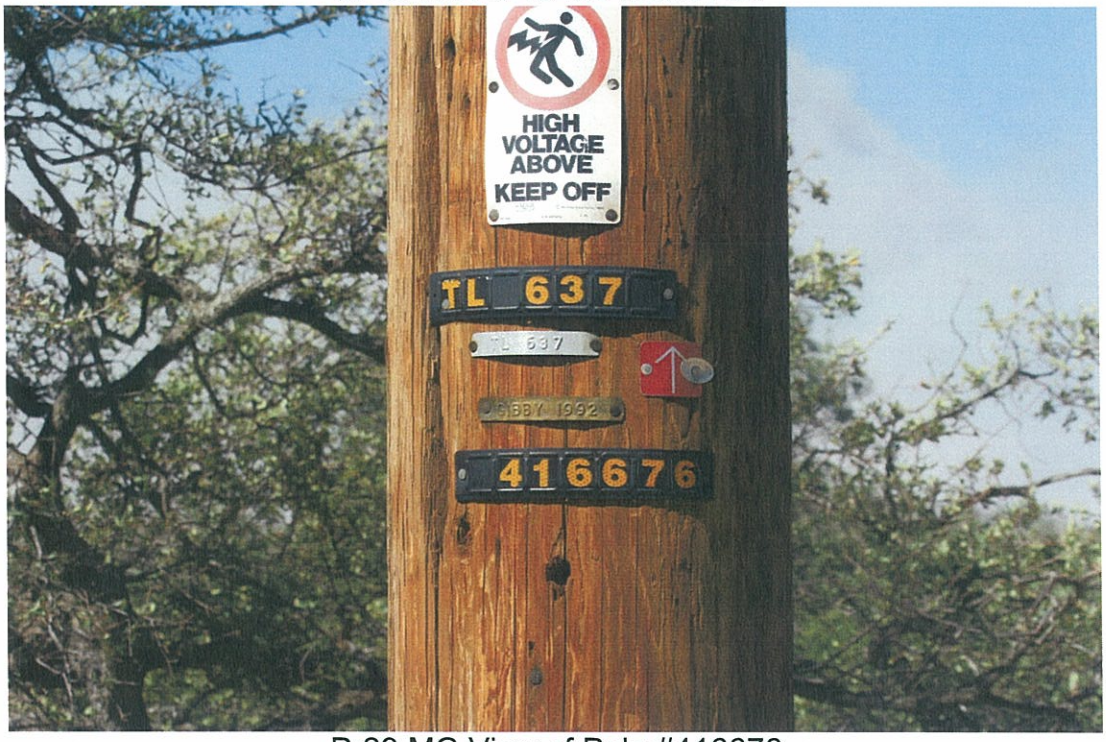
P-25 MG Overall view of indicator showing backing fire



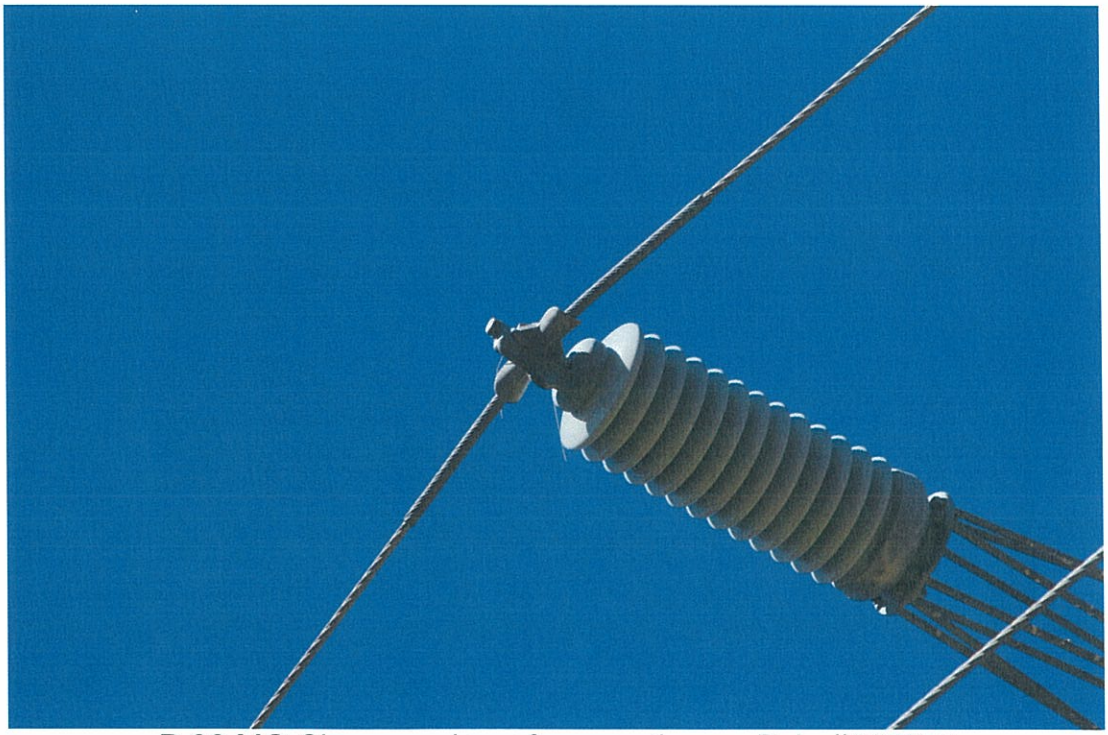
P-26 MG Overall view of indicator showing backing fire

P-27 MG Close-up view of cupping, showing backing fire

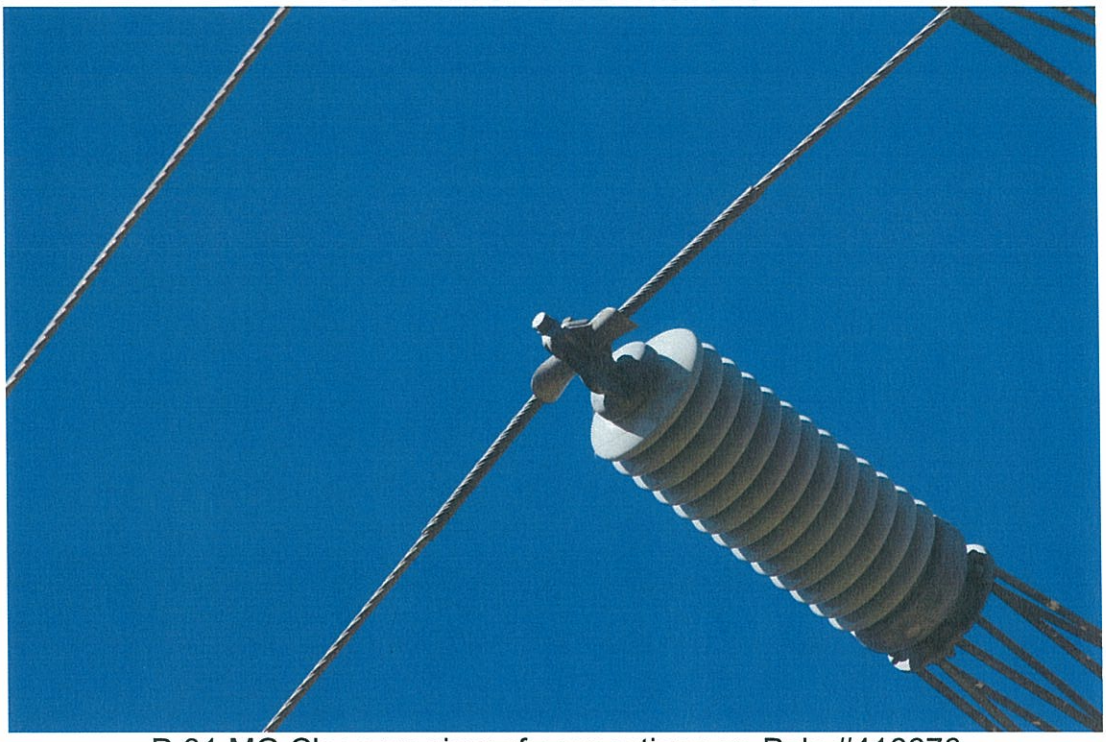
P-28 MG Close-up view of cupping showing backing fire



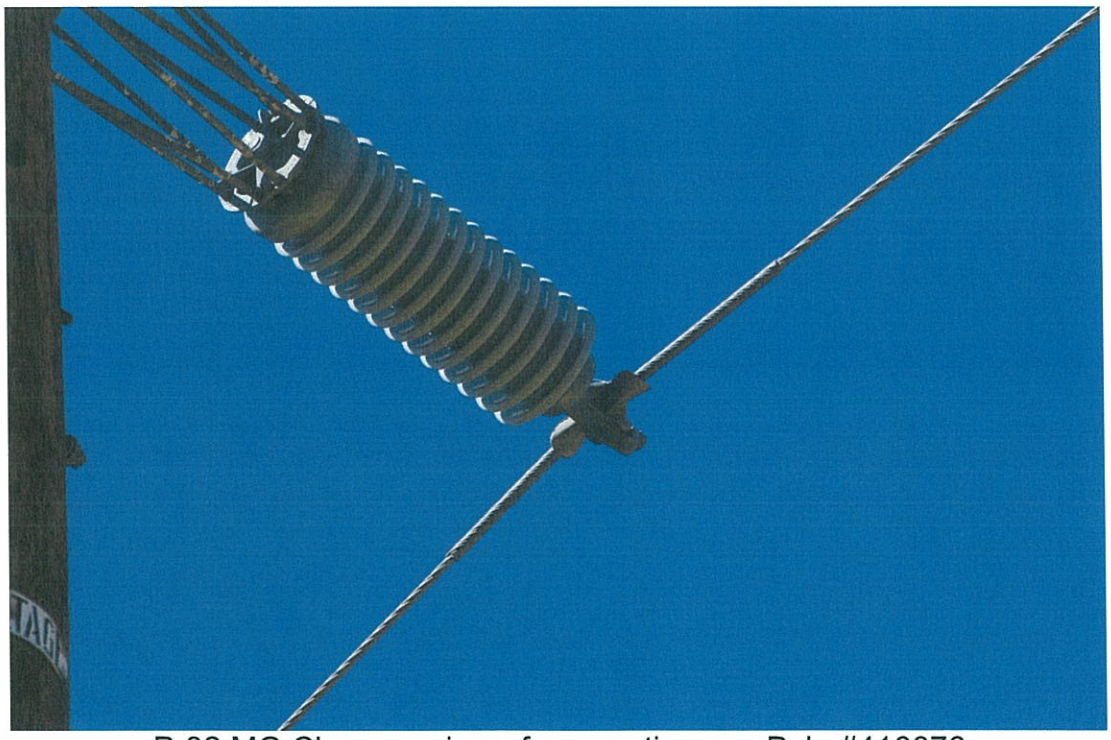
P-29 MG View of Pole #416676



P-30 MG Close-up view of connection on Pole #416676

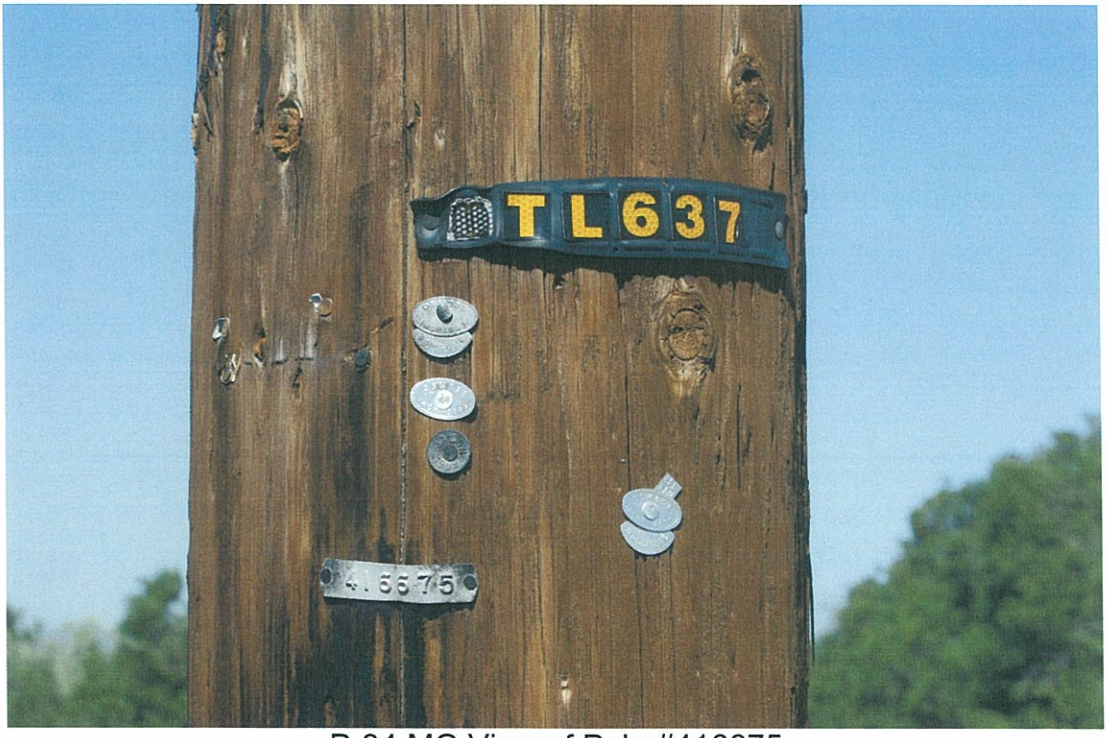


P-31 MG Close-up view of connections on Pole #416676

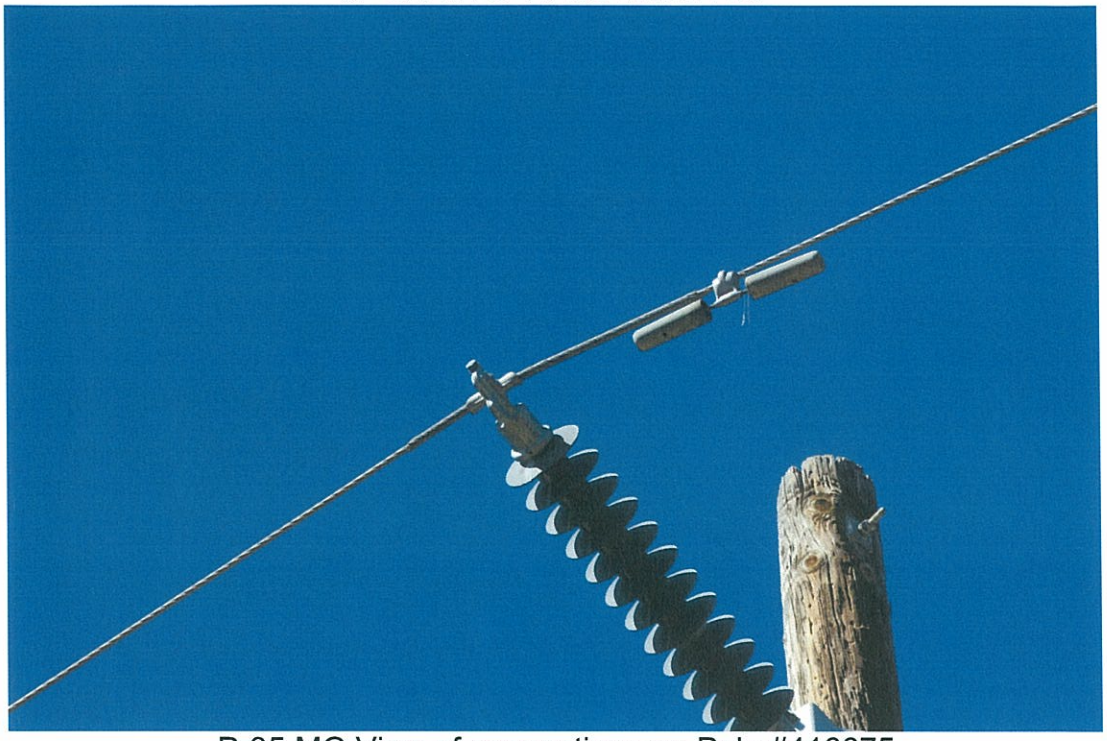


P-32 MG Close-up view of connections on Pole #416676

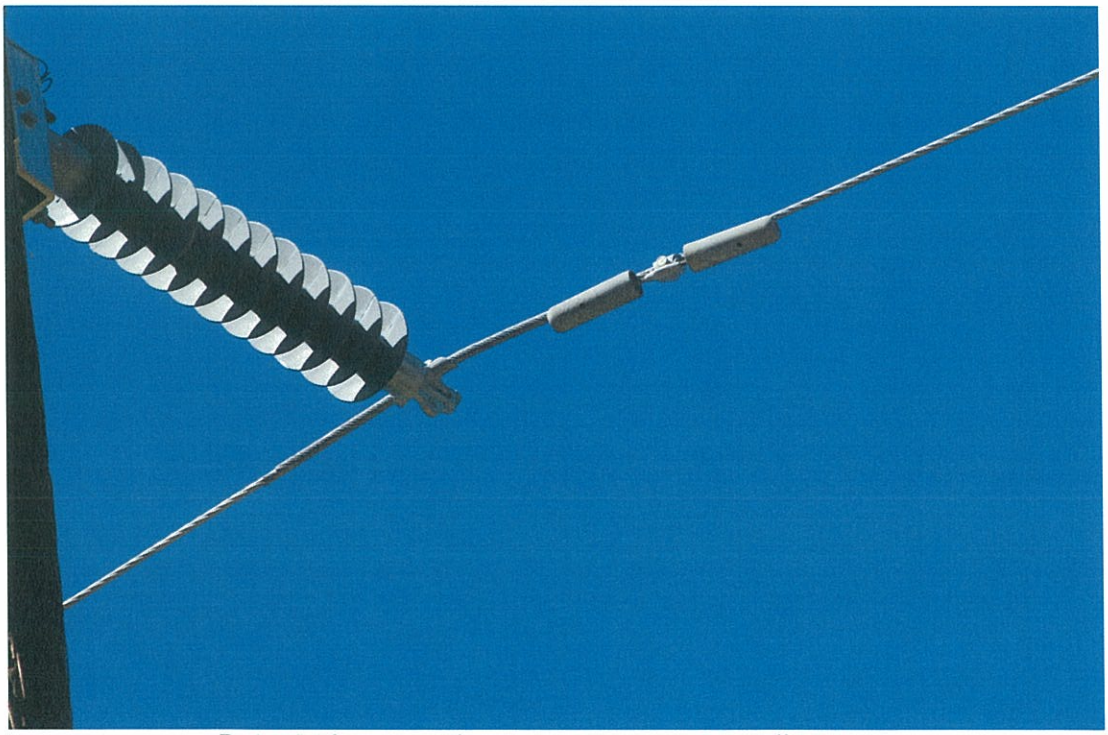
P-33 MG Overall view of connections on Pole #416676



P-34 MG View of Pole #416675

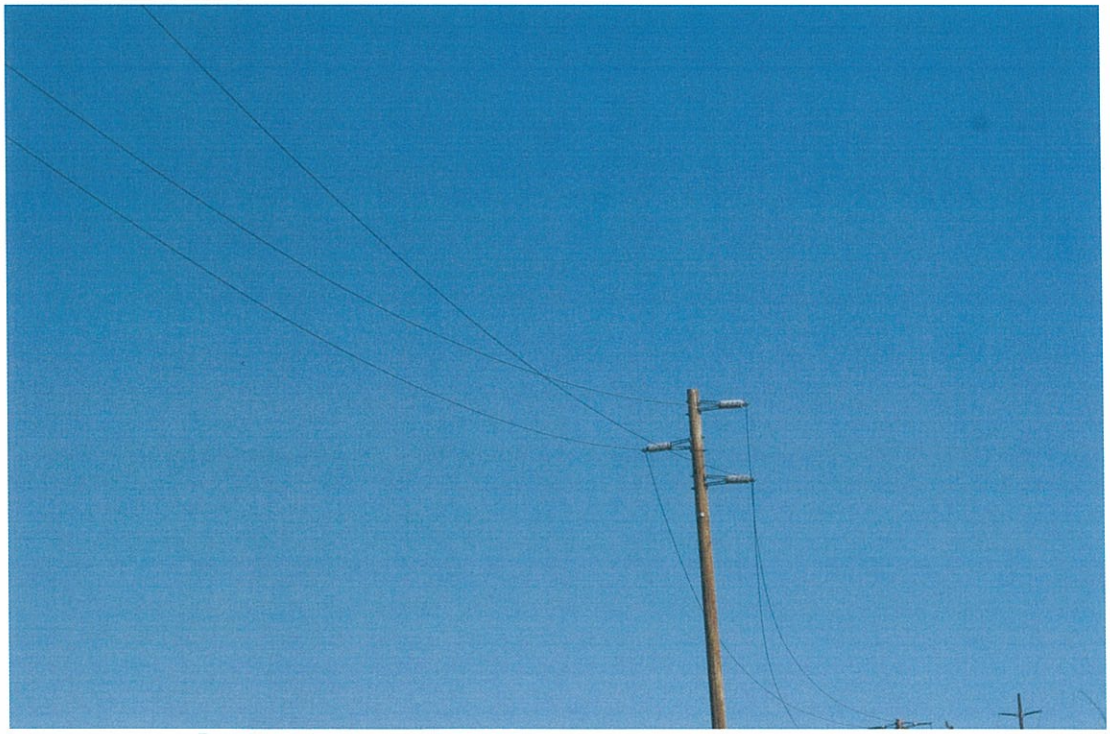


P-35 MG View of connections on Pole #416675



P-36 MG View of connections on Pole #416675

P-37 MG View of connections on Pole #416675



P-38 MG View of 69 kV lines crossing above origin

P-39 MG View of 69 kV lines crossing above origin

P-40 MG View of fuels east of origin, on opposite side of road
